

Opportunity for Exhibition of Software at June 1999 National Conference

(Updated 2/25/99)

- ✦ **All interested Vendors will have the Opportunity to Demonstrate their Software at the June 1999 RCRA Data Systems National User Conference:**
 - **Representatives of all States and Regions usually attend our annual National User Conference.**
 - **The Conference will offer the State/Regional Implementers an opportunity to talk with the Vendors and see demonstrations of the available software for use in completing their '99 Biennial Reporting requirements. This should assist the Implementers in making their decision as to which software product will meet their needs. Following the Conference, most Implementers begin their procurement processes.**
